

September Newsletter

1. Soul Sister and The Forge September 8th

This September Soul Sister and the Forge was held at the Farag's house! They were gracious enough to open their home to allow the children to enjoy their pool, tire swing, trampoline and more. The guys and girls both had devos dedicated to navigating friendships with the opposite gender. While the topics did not cover physical intimacy, as we believe that is a conversation reserved for parents at home and their children, the topic did cover emotional intimacy and setting up boundaries within friendships with the opposite genders! Children enjoyed the time of devo as well as a time of Q and A! Thank you to all who attended and thank you especially to the Farag's for allowing us to use their home!

2. Old Bridge Day September 21st

Old Bridge Day was a blast yet again! With plenty of activities for kids, the children had a great time enjoying the inflatables as well as all that the event had to offer. It was a true labor of love providing a very fun and enjoyable day for all families in attendance. Please pray for those CCOB reached out to during this time as many non believers enjoyed the tents and activities that were provided by our church!

3. Fall Baptism September 29th

We had four junior high aged children get baptized during the Fall Baptism! How amazing is our God! We are so thankful for the opportunity to share in fellowship during these events at Keswick but also to be a part of what God is doing in the lives of your children!

Upcoming Events
